Profiles	 alispatel111		 Alis Patel
Summary	I am a Computer Science student with a strong focus on MERN stack development. I have practical experience with MongoDB, Express.js, React.js, and Node.js. I enjoy building full-stack web applications that are fast, responsive, and easy to use. I write clean, maintainable code and stay updated with modern web development trends to deliver high-quality user experiences.		
Skills	Languages	Frameworks & Libraries	
	Programming languages I work with for web development.	Libraries and frameworks used for building web applications.	
	JavaScript, HTML, CSS, React.js	React Hooks, React Router, Context API, Node.js	
	Styling & UI	Tools & Version Control	
Tools and preprocessors for styling and UI design.	Tools used for version control and API testing.		
Tailwind CSS	Git, GitHub, Postman, Axios		
Experience	Bytexl	March 2024 to June 2024	
	Summer Code	Vadodara	
	 Certificate		
	Developed and maintained web applications using the MERN stack. Created responsive UI components with React and integrated them with Node.js backend. Implemented RESTful APIs and worked with MongoDB database for data storage and retrieval.		
	FlyAnyTrip	Jan to June	
	MERN Stack Developer Intern	Vadodara	
 https://tripeasy.in/			
Contributed to the development of a travel booking portal using the MERN stack. Focused on building responsive and user-friendly interfaces with React.js and custom CSS. Also supported backend integration tasks such as connecting forms with MongoDB, handling data flow, and ensuring a smooth user experience across the system			
Experience	FlyAnyTrip	July -Present	
	Junior MERN Stack Developer	Vadodara	
	 https://tripeasy.in/		
	Currently working on the admin panel of the travel platform to simplify the management of travel packages without needing to manually update the code. Developed a user-friendly interface where admins can directly add, edit, or delete packages , upload images and PDFs, and instantly reflect changes on the live website. Integrated toast notifications for feedback on actions and implemented role-based UI control to restrict access to authorized users only.		
Projects	TODO List	MERN Auth	
	 Demo	 Demo	
	A responsive React TODO List with drag-and-drop, offline storage, reminders, and task organization. It supports filtering, dependencies, and exporting, designed for easy use and smooth performance.	A secure and responsive MERN stack authentication app with clean UI, optimized performance, and full CRUD operations. Designed for accessibility and seamless user experience across devices.	
	QuizMaster	Weather Forecast App	
 Demo	 Demo		
QuizMaster is a responsive quiz app built with React, JavaScript, and CSS. It features a clean UI, error handling, accessibility support, and follows best practices for performance and scalability			
Built a responsive Weather Forecast App using React and JavaScript, fetching real-time data via weather APIs. Focused on clean UI, fast loading, and accessibility. Ensured cross-browser support and secure coding practicea			
Education	Shree Swaminarayan Gurukul, Bhilad	March 2019	
	General Education	Secondary School Certificate (SSC – Class 10)	
	68.83 %		
	Completed Class 10 from Gujarat State Board with B2 grade and 413/600 marks. Performed well in core subjects like Maths, Science, and Hindi. Also scored A grade in Computer and Value Education.		
	Shree Swaminarayan Gurukul, Bhilad	May 2021	
	Science Stream	Higher Secondary Certificate (HSC – Class 12)	
74.61 %			
Completed Class 12 (Science stream) from GSEB with subjects including Physics, Chemistry, Mathematics, English, and Computer. Scored 74.61% overall.			
Education	Parul University, Vadodara	May 2025	
	Computer Science and Engineering	Bachelor of Technology (B.Tech)	
	7.12		
	<u>B.Tech</u> Computer Science graduate from Parul University (2025). Skilled in web development and MERN stack. Completed internships and projects. Active in coding contests to improve skills.		
Certifications	Data Analytics with Python	Reactjs	
	NPTEL	Infosys SpringBoard	
 Certificate	 Certificate		
Languages	English	Gujarati	Hindi
